Subject: Comment Letter - ARRA Subsidy
CC: Philip Bachand <phil@bachandassociates.com>

Dear Jeanine Townsend:

I wish to express my support and agreement with Phil Bachand's comments as stated in his June 10, 2009 letter, regarding draft resolution "TO CLARIFY IMPLEMENTATION OF FEDERAL ECONOMIC RECOVERY LEGISLATION FOR THE CLEAN WATER STATE REVOLVING FUND (CWSRF) PROGRAM".

I believe that good, shovel ready, *rural* projects should also be considered equally for funding, alongside urban projects.
